Botswana Tours (Okavango Delta)

1. **Requirements And Specifications**

- Provide information on Botswana National Wildlife Reserves and sites for both local and international tourists.
- Curating a feeling of Botswana's biodiversity.
- Information and thrill-seeking enthusiasts, both for leisure and research, in making their decisions for visitation.
    - ❖ Benefits
        - Skill development (enhances the ability to structure content using **information design and taxonomy)**
        - Can be presented to employers or clients, acting as a professional project to showcase web development skills.
    - ❖ Benefits (Company)
        - Tourism Promotion/Marketing
            - Showcases Botswana's wildlife, destination, and Okavango Delta experiences
            - Help attract local and international tourists
        - Brand Awareness
            - Increases visibility of the tourism brand online and the Okavango Delta as the leading factor
            - Encourages users to explore more information (access to wildlife information, destinations to explore the Okavango region, and external resources)

2. **Target Audience**
    - Age: 18-40
    - Demographics: The "Experience seeker", authenticity, digital storytelling, and the "Conscious luxury" traveler (high-end, sustainable, culturally respectful experience).

3. **Site Classification**

Tourism Information Website (Travel Website), containing:

- Hero section
- Navigation bar
- Carousel/image Slider
- About Section
- Content Section (Text + Links)

- Wildlife Section

  Core theme: Showcasing Botswana's **natural attractions** (Okavango Delta) and tourism experiences.

4. Information Design and Taxonomy

Main Page Sites

- Home
- Wildlife
- Plants
- Attractions
- About
  - ❖ **Navigation Flow**

  User lands on **Home Page:**

- Sees **hero section** of the Okavango delta sunset over it
- Scrolls down, with a **carousel** of respected featured sites, Botswana prides itself in
  - ❖ **Navigation Options**

  From **home**, the user can:
- click **About** on the (learn more about what the website)
- Click **Wildlife** (see animals situated around the Okavango delta and information about them)
- Click links in content (for access to external sites for more information)
- Click **Plants** (to view flora situated around the Okavango delta and other native plants for educational purposes)
- Click **Attractions** (with more elaboration on the Okavango delta, camps and lodges for easy accessibility to the wetland and other natural aspects situated around it)
  - ❖ **Internal Navigation**

Inside pages:

- Wildlife page - links to more info (external)
- About page (links back to **Home**)
- Users can return to **Home** via the navbar
- Consistency -simple top navbar on all pages, making it easy to navigate

5. **Page Template Design**

- Overview

  The website uses a consistent page template design to ensure it is perceivable and operable, with a clear layout and easy navigation across all pages. Each page follows a similar structure, allowing users to quickly understand where to find information.

- General Page Structure
  - Navigation Bar
  - Hero / header Section
  - Main Content Area
    - Text
    - Images
  - Content Sections (cards, links)
  - Footer

- Design Consistency

  The template maintains consistency through:

  - Repeated navigation bar across all pages
  - Consistent color scheme (earthy nature theme) and typography
  - Uniform layout structure
  - Reusable components such as cards and content sections

About
Explore the Exquisite flora of Botswana
Rooted in the okavango delta
Botswana's flora is a testament to the country's rich biodiversity and unique ecosystems. The Okavango Delta, in particular, is a haven for a wide variety of plant species, including the iconic baobab tree, water lilies, and various grasses and shrubs. These plants play a crucial role in supporting the diverse wildlife of the region and contribute to the overall beauty and ecological balance of Botswana.

Home Wildlife Plants Destination About

The Pride of Botswana
Also described as the "Jewel of the Kalahari", the Okavango Delta is a unique inland delta that transforms into a lush oasis during the rainy season. It is home to an incredible diversity of wildlife, including elephants, hippos, crocodiles, and a myriad of bird species.- set in the harsh and arid surroundings of Botswana's bush and desert, is widely regarded as one of Africa's premier wildlife destinations. The delta's intricate network of waterways, lagoons, and islands creates a haven for both animals and nature enthusiasts alike, - offering unforgettable safari experiences and a chance to witness the raw beauty of the African wilderness. Read More about the Okavango Delta

Activities in the Okavango Delta

Experience the wonders of the Okavango Delta through a variety of activities, including traditional mokoro canoe rides, thrilling game drives, and immersive walking safaris. Explore the delta's diverse ecosystems and encounter its incredible wildlife up close for an unforgettable adventure.

Mokoro Canoe Rides
